

Dr Manuela Boyle is an Australian physician with board certification in Integrative Oncology. With over 20 years of clinical experience in Integrative Medical centres in Australia, Italy, United Kingdom and Singapore, Dr Manuela is a leading integrative oncology educator delivering training and mentoring to medical doctors and allied health practitioners.

Dr Manuela is a regularly invited guest speaker at key conferences both nationally and internationally (Paris, Stuttgart, Singapore, Miami, Sydney, Melbourne Dubai, Colombo), and is the published author of several peer-reviewed papers. She has recently been accepted as an external expert by the European Centre for Disease Prevention and Control in Stockholm, Sweden, an honorary position aimed to "provide independent scientific opinions, expert advice, data and information" and "to maintain scientific excellence at all times through the best expertise available".

Dr Manuela consults exclusively in a Gold Coast Medical Clinic and maintains her presence in similar clinics in Milan and Dubai. She has recently been appointed as the Medical Director of a cutting edge intentional private oncology clinic in Sri Lanka.
